

 **Important Content Update Message**

We are currently updating the OP Help Center content for the release of OP 20. We appreciate your patience as we continue to update all of our content. To locate the version of your software, navigate to: **Help tab > About**.

One of my clients isn't showing up in eMAR. Why?

Last Modified on 06/17/2020 11:20 am EDT

They either:

- Aren't admitted to a program
- Haven't been prescribed medications through ePrescribe
- Haven't been assigned to a bed in Bed Management
- Aren't accessible to you as a user based on your access
