## About

Revenue Codes are added to Activity Codes for Institutional claims. There may be times when an Insurance Payer wants to see an Activity Code with a Revenue Code other than what is set at the Party Type level. This can be done through an override in the Billing Engine.

## Activity Code Revenue Code Override by Insurance Payer

1. Navigate to the Master Activity Code List by following the path above.
2. Select an Activity Code.
3. Click the **Rev Code Override by Insurance** button. The Revenue Code Override By Insurance List is displayed and lists all the Activity Codes that have overrides set for Revenue Code.
