

Treatment Plan Template: Customize Treatment Plan Report Footer

Last Modified on 09/20/2022 9:01 am EDT

Path: Main Menu > Admin Tools Menu > Treatment Plan Template and Program Setup

About

In Treatment Plan Template Setup, you can add a custom Treatment Plan report footer. This can be used for things such as a privacy/HIPAA statement.

9/15/22, 11:25 AM (Test, Bobby Test), 931, 01/02/1975

- Group Therapy
- First Progress Indicator:
- * Interventions used for this Goal:
 - Case Management
 - CBT Cognitive Behavioral Therapy
 - Group Therapy
