11.6.6 Hotfix Release Notes

Last Modified on 02/28/2024 11:57 am EST

Release Timeline:

- Released 2/28/2024

11.6.6 Bugs Fixed:

Release 11.6.6	
Memo fields on Group Notes not auto-saving	After the release, some users were experiencing an issue with Group Notes where Memo fields were not autosaving. This has been fixed and all fields on Group Notes should now save as expected.
