11.7.2 Release Notes - Hotfix

Last Modified on 04/25/2024 5:11 pm EDT

Released: 4/23/2024

Issues Resolved:

Release 11.7.2	
Error Attempting to go to 2nd Page of PCP/ Treatment Plan	Users were getting an error for some clients when attempting to navigate to step 2 of the Treatment Plan Builder / PCP Wizard. This issue has been resolved and users are now able to progress through treatment planning as expected.
