Release 7.17.1	
835 Remittances Now Match Claims Created with Unique Claim IDs	*Maintenance and Setup > Insurance > Insurance* On **Page 2** of the **Master Insurance Form**, there is a **Create Unique Claim IDs** checkbox. When the Create Unique Claim IDs setting is on, the system adds a 14-character date/time stamp to the end of each Claim ID so that no two IDs are the same. Inbound 835 remittances now remove that stamp before matching, so payments match their original claims automatically.
